

# Software for Paper “A Convex Formulation for MPI X-space Reconstruction”

## Introduction

See paper “A Convex Formulation for MPI X-space Reconstruction” in submission for a detailed description of the reconstruction. Run the following to view the partial FOV data in the paper.

- `showData.m`

We hope to release the full software for the paper and are working out licensing details. The software would be added to this repo in the future.

## Copyright

The software is copyrighted material:

This program loads and displays partial FOV MPI Data.
